

HeaderTech::EntityComponent
System::Entity::Release

HeaderTech::EntityComponent
System::EntityBuilder::Release

HeaderTech::EntityComponent
System::EntityCollection
::ReleaseEntity

```
graph LR; A[HeaderTech::EntityComponent  
System::Entity::Release] --> C[HeaderTech::EntityComponent  
System::EntityCollection  
::ReleaseEntity]; B[HeaderTech::EntityComponent  
System::EntityBuilder::Release] --> C;
```

The diagram illustrates a relationship between three code blocks. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'HeaderTech::EntityComponent' and 'System::Entity::Release'. The bottom box contains 'HeaderTech::EntityComponent' and 'System::EntityBuilder::Release'. On the right, there is a gray rectangular box with a black border containing 'HeaderTech::EntityComponent', 'System::EntityCollection', and '::ReleaseEntity'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating a mapping or association.
